To

The Honourable Rajasabha Bhushana, Rajakaryaprasakta, Rao Bahadur,

His Highness the Maharaja of Mysore,

Mugral Department, Bangalore.

Sir,

Sir, With reference to your letter No. 3042-5/Muz.F.506-10 dated 26th May 1911 enquiring what action is taken in the matter of the proper upkeep of certain objects of Antiquarian interests of this District, I have the honor to state that from the Executive Engineer's remarks noted against the insti-tutions in the list received with your letter No. 82/M.F.621-08-3 dated 9th July 1909, it seems that the repairs to some of the objects of interest were contemplated in the Public Works Department. How far the matter has progressed is not known and the Executive Engineer, Hassan Division has been requested to furnish information on this point. On receipt of his reply, further action, if any to be done in this office, will be taken. It may however be stated that in view of the pecuniary circum-stances, these and the marginally noted temples which are also

1. Sagatvalli Narayanadevaru Temple.
2. Anekere Janardanaswamy Temple.
3. Agrahar Belaguli Betteswaradevaru Temple.
4. Nuggihally Sri Lakshminarasimhaswamy Temple.

} reported by the Amildar of Channa-rayapatna Taluk to be worthy of preservation may be left to the care of the D.P.W. for maintenance from the Provincial Funds of the Public Works Department. I request that the Government may be pleased to pass suitable orders in the matter.

2. As regards the remaining objects of interest, it may be stated that they are generally in good condition. But they stand in need of some repairs. The works to be done to the temples

temples of Sri Chennakesavaswamy at Belur and Chaturbhujapattabhi-
-ramaswamy and Neelakanteswaraswamy at Hole-Narsipur have been sanctioned by Government in the Muzrai Department at the cost of the temples and they are under execution through the D.P.W.Agency. The estimate for repairs to the Sri Sakaleswara Swamy temple at Sakalespur was submitted to Government and orders are awaited. The repairs to the Jain Basti at Halebid have been referred to the Executive Engineer for being provided in the D.P.W.budget and in this connection, a kind reference is also invited to this office letter No. R.O.C.80/3 dated 30th November 1916 addressed to you on the subject. As far the Sri Lakshminarasimhaswamy temple at Hole-Narsipur, an estimate has been got up but there is great difficulty in finding funds. It will however be sent up for consideration of Government as soon as it is received back from the Amildar, who has been asked to report if any contribution is forthcoming from the devotees.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
